BERLIN  
FASHION  
TOURS

## Discover BERLIN through fashion.

We offer shopping tours through Berlin's hidden spots of various neighborhoods, accompanied by an inspiring fashion lover and expert. The world of green fashion pioneers, a time-traveling shopping experience in Berlin's most unique vintage shops and local designer ateliers are visited. From high-end to affordable.

But even more.

With our tour we want to create at the same time an experience and awareness that counteract the fast fashion industry.

The motto is:

buy less but the best. We'll show you where!

# FEEDBACKS

`Do yourself a favor and book this experience when you're in Berlin! If not for the diverse array of shops, (vintage, thrift, eco, indie designer etc.) also for the wonderful and informative host, Lilla. This was definitely a highlight of our trip! 10/10 would do it again.`

`Fantastic tour! Josie is so inspiring. Wonderful afternoon full of stories and shops at an accommodating pace. Cool recommendations to get to know the heart of Berlin! Obsessed with our new hats, vintage jackets, designer dress and baby sustainable fabric.`

**-Brianna-**

`If you enjoy fashion, are looking for some nice keepsakes from Berlin, or just want to explore an interesting neighborhood, this tour is it! I had a great time with Lena and felt like I was out shopping with a friend. Would recommend it!`

**-Charmaine-**

Lilia was a wonderful guide, very personable and friendly. Visited a variety of small, unique Berlin shops. Would highly recommend it for anyone interested in vintage clothing, Berlin styles, and sustainable fashion.
